MEMORANDUM FOR THE RECORD

SUBJECT: Second Draft of OPC Strategic Plan, due 1 August 1951.

25X1A

1. [redacted] PL/PS, advised me Monday, 30 July, that a second draft of the CIA/OPC Strategic Plan would reach us in the next few days. I showed him a copy of the 7/24/51 Draft of the WH Division Plan, and advised that this had been prepared pursuant to CPL's instructions (in view of the original 1 August deadline for Division Plans, and the fact that the revised OPC Strategic Plan was not promised until that date), on the basis of the first draft of OPC Strategic Plan which had been cleared with the consultants, plus our comments. I also advised that our 7/24/51 Draft of Country Plan, for distribution to all Area Branches, had been drafted on the basis of our Division Plan, and reflected the guidance in the first draft of the OPC Plan. I therefore asked him whether the revised draft of the Plan would make, as to WH, any substantial changes in the first draft as modified to reflect our comments. [redacted] said that (whereas the first draft had been prepared by him and [redacted]) the second draft had been prepared by [redacted] and that it was his impression that it made considerable new changes applicable to WH, such as a directive as to a 70% - 30% allocation of effort.

2. I pointed out to [redacted] that if we had to re-do the work already done, it would necessarily further delay the time within which effective work would start on the Division and Country Plans. Of course, WH currently has, on the instructions of CWH and DCWH and as a result of the merger, no deadline on the Division Plan, and is to undertake immediately only the six priority Country Plans per memorandum to CPL which has been prepared for CWH's signature.
